

Diamond Club News

The 2010 season is finally getting into full swing after many weather delays, but before we talk baseball, we want to say THANK YOU for all your support of our baseball ministry. Because of the support of our Diamond Club members, we have been able to provide our young men with the training tools and equipment necessary to prepare them for the competition we will see and to meet the goals we have for the program. Again, THANK YOU.

The following stats reflect game through April 10.

Season Update

Player	AVG	R	H	2B	3B	HR	RBI	SB

Pitching Update

The pitching rotation is becoming solid as we move into full swing. Our starting rotation consists of **Brandon Roth (JR)**, **Travis Myers (FR)**, **Mike Foster (SO)** and **Jeremy Philippi (FR)** with **Bryan Kloppe (SO)** being our primary closer. Freshman **Codi Burrow** and **Jesse King** have also played significant spots roles during the season and provide valuable support.

Catching Update

Kodey Rudge has made the transition from infield to become our starting catcher this spring. His support cast consists of freshman **Corbin Graham**, **TJ Marler** and **Corey Hull**. They have been a welcome addition to the program and have provided Kodey the rest and support needed as our season has picked up.

Infield Update

Our infield is full of new faces this spring and they have all done well and are getting better with reps. **Travis Myers (SO)**, **Josh Gracia (JR)**, and **Brandon Roth (JR)** have anchored firstbase as a committee. **Mike Foster (SO)** has been solid at second with **Anthony Bosch (FR)** playing significant support. **Joe Rubeo (SO)** has been solid at third with **Bosch** and **Andrew Jansen (SO)** supporting him. And **Codi Burrow (FR)** has been solid at shortstop and supported by **Jeremy Philippi (FR)**.

The growth of this group is significant as we strive to return as Regional Champions.

Outfield Update

Emmon Bradley (JR) has made the transition from infield to leftfield and has given us some range in left. He is backed up by **Cory Morris (FR)**. **Codi Morris (SO)** remains solid in centerfield again with **Kenny Park** backing him up. Rightfield has been covered by committee this spring with **Corbin Graham (FR)**, **Jesse King (FR)** and **Daniel Offield (SO)**.

Post Season

Our postseason qualifier for Nationals will be in Moore, OK with Dallas Christian College, Hillsdale Freewill Baptist College and Ozark Christian College. The winner will automatically qualify and all other qualifiers will depend on an at-large bid.

April 2010 Newsletter

Recap

To say this season has been crazy would be an understatement. With 26 games cancelled due to cold weather or wet fields, we have been left wondering if we are going to play on several occasions. We have the makeup to be a very fine team and look forward to getting to use those skills on a regular basis.

This squad has experience returning with a lot of new players making significant contributions. Our youth has contributed to some inconsistent play, but it has also raised our talent level. I expect a high level a play once we get more games under our belt and in a playing routine.

Our 9-9 record is significant at this point in our season and a good step in the growth of this program at MCC. Thanks again for your Diamond Club membership and blessings to each of you for helping us reach our goals.

Roster

0	Daniel Offield	SO	Kansas City	MO
1	Codi Morris	SO	Sherman	TX
2	Jessie King	FR	Salina	KS
