

DUAL-DEGREE STUDIES

The dual-degree program is minimally a five year course of study in which a student earns a bachelor degree from Manhattan Christian College and a bachelor degree from Kansas State University upon confirmation of the completion of all requirements at both institutions. Students in this program are equipped through MCC with a biblical foundation that will enable them to penetrate the world with the gospel of Jesus Christ. Students in this program are also equipped through KSU with a vocation that will enable them to go anywhere in the world and, as they do, to be Christian leaders both in the church and in their chosen profession.

Vision

We see graduates of the MCC dual-degree program equipped to go into the world with both biblical and vocational foundations to provide Christian leadership and influence both in the church and in their chosen profession.

Mission

We seek to educate students with a Christian world view that will equip them to be Christian leaders in the church and in their chosen profession.

Objectives

By completing the dual-degree program of study at MCC and KSU, students will be able to...

- demonstrate a basic knowledge and understanding of the Christian canon for the Old and New Testaments.
- demonstrate general knowledge of basic exegetical skills.
- perform the exegesis necessary for preaching, teaching, and Bible study.
- demonstrate a general understanding of theological terms, concepts, history (origin, development, major systems of thought), and application (hermeneutics, ethics) from a Stone-Campbell perspective.
- develop skills in a chosen profession in which a Christian influence can be demonstrated.
- appreciate the opportunity to use Christian leadership skills both in the church and in any chosen profession.
