

...igniting your potential and your future...

### **Calling all sophomores!**

MCC is now offering an opportunity for you to connect with someone out in the real world, doing the things that you hope to do after graduating from MCC. Whether you're a Christian Ministry major or dual-degree student, we want to connect you to someone who is balancing work and life and doing it well out there in the real world. If you're looking for encouragement, answers to questions, a real-world perspective on ministry and life after college, then look no further! We've got it right here—My Career Connection.

### **How it works**

Fill out a short application by April 15, 2016, and you will be paired with an alumni or friend of MCC who best matches your interests and goals. You will be informed of your pairing and then be able to connect with someone to help you navigate the paths of college and post-graduation.
