Manhattan Christian College
Office of Student Financial Aid
2014-2015 Special Circumstances Request

This form is to assist you in reporting changes in the financial circumstances of you and/or your family that have occurred after you made application for financial aid, and that will in some way limit the ability of you and/or your parents to contribute toward your 2012-2013 college expenses. By completing this form, you are requesting an exception to the federal formula that calculates the family’s ability to contribute to the student’s educational expenses.

By making this financial aid appeal, I understand that:

a) The MCC Office of Student Financial Aid reserves the right to ask for additional documentation as necessary.

b) Any decision from the MCC Office of Student Financial Aid is final and it may not be re-appealed. This decision applies only to Manhattan Christian College and the 2014-2015 academic year.

c) Your appeal may be approved or denied. Be aware that completing this form does not guarantee a favorable decision. Furthermore, an approval does not necessarily mean that you will be eligible for federal financial aid.
