4. Return your completed application and deposit by Monday, November 29th by 5 pm to Ben Grogg in the Student Development Office.
5. Attend the required additional pre-trip training and meetings unique to your particular Kerusso Dayz trip.

Since 2007, they have been intentionally serving the church communities and connecting the body of Christ in mission for the downtown region. Together, they have been working towards restoring the streets physically, relationally, and spiritually one block and one neighborhood at a time. They have really seen the power of starting in the center of downtown and working our way out. This has allowed them to start small and build deep, but think big. Join them for a week as they connect with their neighborhood and neighbors to build the Kingdom.
